Excellence in Nursing and Midwifery Awards 2018

Nomination Criteria

Judith Meppem Lifetime Achievement Award

Describe how and provide evidence of the nominee’s outstanding contributions in their chosen profession of nursing or midwifery. Include the positive influence the nominee has had on nursing/midwifery innovation, professional practice, ways of working, patient/client safety and quality of care and any other relevant information.

Describe how the nominee supports and advocates for the professions of nursing/midwifery, above and beyond that of their peers, by using the NSW Health Core Values as headings: Collaboration, Openness, Respect, Empowerment.
