Excellence in Nursing and Midwifery Awards 2018

Nomination Criteria

Excellence in Aboriginal and Torres Strait Islander Healthcare

Describe how the nominee works collaboratively in partnership with patients/clients, their families and carers and other health clinicians to provide contemporary, culturally sensitive and outcome based care for the specific needs of Aboriginal and Torres Strait Islander individuals/communities.

Describe how the nominee contributes to their workplace in regards to improving Aboriginal and Torres Strait Islander patient/client safety and quality of care.

Describe how the nominee supports and advocates for Aboriginal and Torres Strait Islander patients/clients and the profession of nursing and/or midwifery using the NSW Health Core Values as the headings. Collaboration - Openness - Respect - Empowerment.
